You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Mailroom

When? 5-18-2018 / 5-23-2018

What was their response? no response

What action was taken? Legal Mail held on to for a week or more / Media mail opened without me.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

First of all, on 5-18-2018 I got a large letter in a writ envelope from my Law Firm in Houston, Texas. It was was mailed to me on the 7th of May. That's 11 days after it was mailed til I received it. So the mailroom held on to my Legal Mail for at least a week long for no good reason whatsoever.

On 5-23-2018 I received a letter I sent to the "Houston Chronicle" return to sender which is an obvious mistake of the Post Office which I plan to get at the Post Master to resolve --- but the mailroom here opened my Media Mail without me being present and also the Media Letter was returned on 5-16-2018 from the Post Office in Dallas, Texas so the mailroom again held on to my mail for at least 4 or 5 days for no good reason reading my Media Mail which is against the Federal Law...

Tampering with Legal or Media Mail is against Federal Law very clearly... I see this as part of the Campaign of Harassment against me due to me seeking legal avenues of relief for crimes against me by prison staff here on Michael Unit. The violations against my Federal Rights and Human Rights needs to stop...

Action Requested to resolve your Complaint.

Violations of my Federal Rights to stop... No tampering with my Legal, Media, or Special Mail by mailroom employees on Michael Unit.

It totally neglected to resolve the complaint whatsoever and the response to the Step One Grievance # 2018139077 is completely false...

Whatever Policy or Personal Agenda by C.I.D. Director Lorie Davis, Executive Director Bryon Collier, Warden Charles O. Meador, Mail Room Supervisor Amy E. McCalister and any other mailroom staff that allows a Legal Letter from the T.J. Solomon Law Group, PLLC in Houston Texas that was sent to me "First Class Mail" on May 7th to be held deliberately in the Michael Unit mailroom for 8 or 4 days before I get it, and which allows a Media Mail Letter to the Houston Chronicle to be opened and read and held on to for at least 5 days, is most definitely against Federal Law and I haven't even seen a State Law that will support that type of illegal behavior. Both of those letters pertain to criminal activities by Staff against me from 2-13-2018 til now that still have not been resolved!

My Human & Federal Rights are being violated on purpose by C.I.D. Director Lorie Davis, Executive Director Bryon Collier, Warden Charles O. Meador, Mailroom Supervisor Amy E. McCalister & mailroom staff, which also greatly increases my punishment above & beyond what the State Court sentenced me to on December 2nd 2005, by: Conspiring against my rights under color of law, Cruel & Unusual punishment, denying or interfering with my access to courts, violated Protected Conduct rights of filing Grievances & seeking legal relief, tampering with my Legal & Media Mail deliberately, violating my equal protection of the law rights, obstructing justice, lying in official documents which is perjury, making & allowing policies that violate Federal Law and my Federal Rights, violating my due process rights, harassing/retaliating/and terrorizing me for pursuing

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Mailroom Supervisor Amy E. McCalister When? 8-7-2018
 What was their response? Opened Legal Mail in error outside my presence
 What action was taken? Notified in person by mailroom supervisor.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

Not only did this mailroom open my letter to Attorney Brian McGiverin but after further studying I noticed a few other things that don't make any sense

One problem I noticed is how I mailed the letter out on 7-5-2018 and it didn't make it to the Post Office in Dallas Texas til 7-9-2018 and then it took all the way til 7-24-2018 to get to Austin Texas and be figured out that the address is no good and then it gets sent back from Austin Texas on 8-1-2018 but I don't get it back til 8-7-2018 and supposedly gets opened in error like it was an accident?

Since when does it take mail 4 days to get from Anderson County to Dallas County? Also, since when does it take 6 days for a letter to get from Austin Texas to Anderson County to the Michael Unit? All that was done deliberately with evil intentions & evil motives in a conspiracy against my rights.

Tampering with Attorney Brian McGiverin's & my Legal Mail by mailroom staff here on Michael Unit directly violates our Human & Federal Rights specifically by: conspiring against our rights & depriving us of our rights under color of law, obstructing justice, violating our due process rights, attempting to deny us access to courts, Cruel and Unusual Punishment, deliberately & illegally opening our Legal Mail in order to read & examine it for information they were not entitled to whatsoever, retaliating & harassing against me for seeking Legal Relief, Violating our equal protection of the

low rights, putting me in a situation where I have to be afraid about what's happening with my Legal Mail and therefore also putting me in danger of or risk personally, of injury or other serious or irreparable harm due to the fact that my Legal Mail going to Attorney Brian McGiverin was opened & read illegally outside my presence and delaying tactics used going and coming back on purpose, etc.

The only reason this could've been done is that these individuals who Mailroom Supervisor Amy E. McColister is over or herself, is that they are in a conspiracy against my rights under color of law and so doing, have also violated Attorney McGiverin.

Action Requested to resolve your Complaint.

Conspiracy against me stopped. Full investigation into these crimes against me & Attorney McGiverin. No interference with my Legal Mail whatsoever illegally. Evidence saved for any litigation.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

This not the first time this problem has happened where this same mailroom has tampered with my legal or media mail here on Michael Unit, in fact, it has happened several times now with delaying tactics and opening Legal Mail outside my presence & Media Mail too, especially since February 13th, 2018 up til now...

Not only was my Legal Mail with Attorney Brian McGiverin opened wrongly but it was also deliberately delayed going and coming back. The topic of delaying was avoided by Worden Pennie R. Kempt and also the Office of Inspector General was avoided once again regardless of Federal & State Law and AD-03.82.

Notifying me of the violation doesn't make it alright nor does it fix the problem at all especially since they have done it several times now and the other times they didn't notify me about anything at all? ~ This wasn't a mistake at all ~ Attorney Brian McGiverin is "Known" for challenging violations that are perpetrated by T.D.C.J. Officials & Staff against incarcerated persons.

And for Pennie R. Kempt to claim that "the mailroom handles all legal mail, incoming and outgoing, within policies and procedures", is outrageous after the several times now that they have violated my access to courts rights deliberately. Worden Pennie R. Kempt is now violating my Rights also by obstructing Justice et al. in a conspiracy against my Rights while acting under color of State law...

Mailroom Supervisor Amy McCalister came to my door with a letter from the F.B.I. ~ I took the time to ask her why they opened yall's letter and put it in "General Mail" ~ She said they were told they could open legal Mail if it was a postcard and outside my presence ~ I told her that violated Attorney-Client Privilege ~ She said "Oh well that's what we were told to do, you can file a complaint" and I said "I will..." I know the Law pretty good and I know these people are absolutely full of shit! As soon as I get the Grievances #s about this issue that I already filed complaints on, I will shoot you all my copies when I write the Grievance #s at them... That way yall can check the hell outta these trashbags in here if yall want to.

Once I finish the Story/Bio I'm writing of current events, I will send yall a copy to checkout... the Law Library is supposed to bring a writ envelope so I can mail all this stuff to yall today... 8-23-2018! I hope we can somehow have better communication... I think Tanika is the best bet on this shit... It would be interesting if yall would join forces with a Human Rights Organization but I can't even know what yall got going on... I sure do want to know!... Damn, I need my money out of Wells Fargo real bad... It's killing me being broke when I'm not broke at all... Please set up a phone call or visit... At 8:14 pm or so on 8-21-2018 Officer Nzeribe delivered a letter to me from the Law Firm "T.J. Solomon Law Group, PLLC" from Houston Texas in the General Mail. It had "General" written on it, it was open, holes punched in the stamp, and had obviously been read --- all of this was done deliberately and is not the first time my Attorney-Client Privilege has been violated here on Michael Unit.

AUG 23 2018

The "T.J. Solomon Law Group, PLLC" which is run by Tanika J. Solomon "Attorney at Law" and my Federal Rights are being violated by mailroom staff here on the Michael Unit very deliberately as a part of a very real conspiracy against my rights while these Mailroom employees are acting under Color of State Law which also very greatly increases my punishment above & beyond what the State Court sentenced me to on December 2nd 2005 specifically by conspiring against our rights, attempting to Obstruct Justice, Deprivation of Right under Color of Law, Perjury by putting "General" on a Legal Letter falsely, violating our Due Process Rights, violating my right of access to the courts, cruel & unusual punishment, violating my equal protection of the Law rights due to my mental illness, harassing us & retaliating me for seeking Legal Relief, tampering with Legal Mail illegally, etc.

Who did you talk to (name, title)? Mailroom Supervisor Amy E. McColister When? 8-22-2018
 What was their response? We were told we could open Legal Mail if it's a Postcard.
 What action was taken? Legal Mail got illegally opened, read, and delivered with General Mail.

On 8-22-2018 at 9:54am, Mailroom Supervisor Amy E. McColister came to my cell at 12E-33 cell with a letter from the F.B.I. --- I asked her why is it that I received a letter from the "T.J. Solomon Law Group, PLLC" in General Mail on 8-21-2018 at about 8:14pm that had been opened outside my presence illegally and inspected... She said they were told they could open Legal Mail if it was a postcard. I told her that violates Attorney-Client privilege. She said I could file a complaint. I said I will.

"All Legal Mail from this "T.J. Solomon Law Group, PLLC" or going to this "T.J. Attorney-Client Privilege means that the the things I write or say to the "T.J. Solomon Law Group, PLLC", or that they write or say to me, are secret. Prison Officials & Staff cannot read my Legal Mail. But they can open it in my presence to inspect it for contraband.

What was done with the letter from "T.J. You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

It neglected to resolve the complaint due to the fact that Grievance Investigators Margaret M. Price "the Supervisor" and Monte P. Nabors conspired together et al against my rights in order to cover up crimes against me that are ongoing ever since February 13th 2018. These people are violating Federal & State Law and even T.D.C.J. Board Policies & Administrative Directives such as AD-03.82. Grievance #2018186383 is an Emergency Grievance and is supposed to be coordinated with the Office of Inspector General as demanded by law & policies & directives! This is not an isolated event! Grievances Investigators have been violating my "Protected Conduct" of filing Grievances non-stop since February 13th 2018 real badly et al up til now in a conspiracy against my rights et al from many departments such as medical, the mailroom, and Warden's too...

My Human & Civil Rights are being violated by Margaret M. Price, Monte P. Nabors et al while acting Under Color of State Law which also very greatly increases my punishment way above & beyond what the State Court sentenced me to on December 2nd, 2005 specifically by conspiring against my rights et al to cover of crimes & violations being perpetrated against me by other prison Officials & staff, Depriving me of my rights under color of law, interfering with my Federally Protected Activities, Obstructing Justice, Perjury/Falsification of Records To Cover Up crimes against me, violating my due process rights such as my Protected Conduct of filing Grievances, cruel & unusual punishment by terrorizing me and causing me severe mental pain & suffering by committing crimes & violations against me to cover up other crimes against

me continuously, interfering with my access to courts rights, not processing Grievance #2018186383 according to Federal & State Law & AD-03.82, refusing to coordinate Grievance #2018186383 with the Office of Inspector General as is demanded by Law, violating me & victimizing me and making my mental illness worse and so also violating my equal protection of the law rights, etc. --- All done deliberately with evil intentions.

Although a recent addition to the Grievance Office here on Michael Unit I see that Grievance Investigator Monte P. Nabors is glad to jump right on in the conspiracy against my rights here on Michael Unit. He very deliberately violated my Protected Conduct of Filing Grievances and improperly screened an Emergency Grievance knowing very well that any Grievances alleging any harassment or retaliation for exercising courts rights or any criminal acts by staff shall be coordinated with the Office of Inspector General and processed as an Emergency Grievance according to Federal & State Law which is very clearly explained in "Administrative Directive - 03.82 (rev 8) Section V regarding Emergency Grievances. But it is clear that Monte P. Nabors doesn't care about the Law or AD policies." AUG 27 2018
 AUG 27 2018 SEP 06 2018

I already have other complaints where Monte P. Nabors has violated my rights et al. while acting under color of State law in a very real conspiracy against my rights. Monte P. Nabors et al. in the Grievance Office are retaliating against me and harassing me for pursuing legal relief especially since the crimes against me that were perpetrated by prison officials & staff on February 13th, 2018. My Human & Federal Rights are being violated by Monte P. Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because.

It failed to resolve the issue of Grievance #2018186383 which was not processed correctly according to Federal State Law and BP-03.77 & AD-03.82 and it also was not processed correctly itself. Grievance #2018187454 is also an Emergency Grievance that was supposed to be coordinated with the Office of Inspector General and so was Grievance #2018186383 but here these Grievance Investigators Margaret M. Price, Monte P. Nobbs, et al while investigating this Grievance about himself illegally, and Tammy L. Rainey deliberately refuse to honor Federal State Law and completely ignore Board Policy 03.77 & Administrative Directive 03.82 in order to obstruct justice. Monte P. Nobbs surely had no business being personally involved in a Grievance about himself.

Who did you talk to (name, title)? Mailroom Employee When? 10-23-2018
 What was their response? Delivered me a letter from T.J. Solomon Law Group, PLLC.
 What action was taken? Delivery of this Legal Mail deliberately delayed about 7 or 8 days.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

The "T.J. Solomon Law Group, PLLC" sent me a letter via First Class Mail on October 11th, 2018 and it was not delivered to me until October 23rd, 2018 by a mailroom employee. This is not an isolated event, in fact, the mailroom on Michael Unit continues to violate my Attorney-Client privilege, interfering with my access to courts rights deliberately which also violates my due process of law rights and drastically slows down communication between me and the "T.J. Solomon Law Group, PLLC" and that is interfering with Legal Work...

This mailroom on Michael Unit has violated my Federal & State Rights several times now on purpose regarding Legale Media Mail. It sure does not take a Legal letter 12 days to get from Houston Texas to Tennessee Colony Texas via First Class Mail... First Class Mail moves fast! First Class Mail within Texas should only take 2 or 3 days to get to its destination, so, there's no excuse for this Legal Letter to take 12 days to be delivered to me from Houston Texas to Tennessee Colony Texas. It was delayed deliberately by Michael Unit mailroom employees to interfere with my attempts to exercise my access to courts rights with the fore-mentioned Law Group...

My Human & Federal Rights have been continuously violated at Michael Unit since prison officials & staff stole half my property & assaulted and battered me during an excessive use of force on February 13th 2018 on Michael Unit all the way up til now...

These mailroom employees are conspiring with others on Michael Unit against my rights while acting under color of State law.

That's 21 days from Chicago to Texas to me here on Michael Unit ~ that means it was deliberately delayed by the mailroom staff here on Michael Unit for at least 2 weeks straight for no good reason at all!

Obstructing mail or correspondence without any real justifiable penological security interests is a Federal Offense. It does not take 21 days to get from Chicago, IL to Tennessee Colony, TX by mail... That's absurd! The mailroom staff are delaying my mail deliberately to harass me and retaliate on me in a conspiracy with others against my rights while acting under color of state law. Their dry messing with my mail is seriously agitating me and they are doing it on purpose to try and get me to stop seeking legal relief for crimes committed by staff members against me here on Michael Unit...

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Mailroom Representative When? 11-1-2018
 What was their response? Denial Notification For Under Lock & Key - July 2018 no-3 2018
 What action was taken? My Human & Fedral Rights being violated 2018

State your grievance in the space provided. Please state who, what, when, where and the discipline case number if appropriate.

First, I did get a chance to review the publication at all and it obviously sat in the mailroom for months since issues show up before or during the months on the publication --- not 3 or 4 months later on 11-1-2018. That aside, I got no document from D.R.C. at all to show their decision whatsoever. Then for this publication to be denied for advocating prison disruption / strike when in fact it advocates standing up for your Human & Fedral Rights is unconstitutional and it shows that all incarcerated persons are actually being oppressed by the "Exception Clause" of the 13th Admendment which very clearly violates the "Universal Declaration of Human Rights" that the United States of America agreed to with the United Nations. Article 4 of that Declaration states: "No one shall be held in slavery or servitude; slavery and the slave trade shall be prohibited in all their forms."

T.D.C.J. is violating the Charter with the United Nations. Striking is a right of people who are being mistreated or violated. The 13th Admendment is completely out of line with the Charter with its exception clause: "Except as a punishment for crime whereof the party shall have been duly convicted," that violates Human Rights utterly by allowing modern day slavery to continue in prisons Nationwide since December 6th, 1865. That is torture and very cruel & unusual punishment which violates the 8th Admendment of the U.S. Constitution & Article 5 of the forementioned Declaration of Human Rights amongst others. Prisons Nationwide including the Texas Department of Criminal Justice are violating the Universal Declaration of Human Rights that was agreed upon by the General Assembly of the →

United Nations Charter.

My due process rights were violated by refusing to let me appeal and no documentation from Director's Review Committee. This Underlock and Key issue was in the mailroom for about 4 months give or take, so that was a serious obstruction of mail/correspondence. When the Grievance System is corrupt and gives no relief and there are serious violations of Human Rights being perpetrated by prison Officials & Staff, striking in protest of inhumane conditions is a right. I have a stack of Grievances that prove the Grievance System is useless, inhumane, corrupt, and unconstitutional.

Stop obstructing my mail /
 Action Requested to resolve your Complaint. Stop using slavery in T.D.C.J. or Nationwide.
 T.D.C.J. to honor the Charter of the United Nations Universal Declaration of Human Rights.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

"T.J. Solomon Law Group, PLLC" sent me the Legal Mail via First Class Mail on November 15th 2018! That's 11 days from Houston, Texas to here on Michael Unit. The mailroom employees have been violating my Attorney-Client Privilege for a long time now, this time by obstructing Legal Mail sent First Class Mail which was postmarked in Houston on November 16th 2018!

DEC 12, 2018

This obstruction of my Legal Mail / Correspondence is being done deliberately to put a major burden on my Access To Courts Rights and this also violates my Freedom of Speech & Association. This is not an isolated event ~ they have been messing with my Legal Mail, Media Mail, and Personal Mail on a very regular basis especially since February 13th, 2018. This criminal behavior is very seriously agitating my mental illness and it is very obvious that it is the Prison Mailroom Employees that are purposefully delaying my Legal Mail and are violating the rights of the "T.J. Solomon Law Group, PLLC" and my Human & Federal Rights also by obstructing our Legal Mail & Correspondence which is a Federal Offense and is cruel and unusual punishment by the fact that it tortures me and causes me rage inside with severe mental & emotional pain and suffering. They are part of the conspiracy against my rights with many others and these criminal & unconstitutional behavior is being done against me with evil intentions & evil motives deliberately.

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

It did not resolve the problem and in fact the problem has repeated itself with several more letters such as: A personal letter from: "Walter Weathers; 1625 S. Alston Ave.; Durham, NC 27707" postmarked JAN 5th, 2021 that I received on JAN. 14th, 2021. A Religious letter with Religious Material from: "Church of the Larger Fellowship Unitarian Universalist Prison Ministries; 24 Farnsworth Street; Boston, MA 02210-1404" postmarked December 15th, 2020 that I received on JAN. 29th, 2021. and a Legal Letter from the "United States District Court - Eastern District of Texas; 211 W. Ferguson St; Tyler, TX 75702" that was postmarked: JAN. 7th, 2021 that I received on February 3rd, 2021.

So obviously Warden Charles O. Meador and/or the Administration he speaks of in Step 1 Grievance #2020166883 have done nothing to fix the problem of my mail being obstructed deliberately like has been done in this same mailroom on Michael Unit many times before especially since February 13th, 2018 up til now & ongoing in a conspiracy against my rights that involves a long list of Prison Officials & Staff along with other Government Employees like the OIG for example who have all done me a very grave injustice for an insane length of time on purpose to terrorize me because I keep trying to exercise my Petition, Access To Courts, and Due Process Rights for very serious Human & Civil Rights violations that Prison Officials & Staff committed against me on insane amount of times from February 13th, 2018 up til now and ongoing.

(Carbon Copied)

Prison Officials & Staff need to stop obstructing my mail illegally and they need to stop torturing me on purpose and conspiring against my rights! The Campaign of Harassment & Retaliation against me needs to be stopped immediately! It's madness! It's hateful and it's illegal! Stop messing with me! Stop torturing me!

Your complaint has been investigated. Michael Unit Mailroom has been out of compliance on deliveries due to staff shortage, the COVID pandemic and the large number of denials that they have to serve to the inmate population. The mailroom is working diligently to get all deliveries caught up. Administration is aware of compliance issues within the Michael Unit Mailroom and are monitoring the situation. Furthermore, the mailroom has been advised to deliver within the time limits in accordance with BP 03.91 and that if they cannot adhere to the time limits, they need to notify MSCP. No further action is warranted.***

Who did you talk to (name, title)? On duty Staff and Low Library Staff When? 12-4-2020/12-14-2020
12-16-2020/12-18-2020

What was their response? Negative

What action was taken? Media Mail unsealed outside my presence & Refused to let me seal Media Mail

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

On 12-4-2020 I received a letter in the regular mail from Hank Lamb from The Prison Show at KPFT Studios, 414 Lovett Blvd., Houston, TX 77006 that was withheld from me for over a month and opened outside of my presence when it's a known fact that KPFT Studios is a very well known Media Outlet since 1970 up til now and ongoing.

On 12-14-2020, 12-16-2020, and 12-18-2020 I attempted to send sealed correspondence to David Collingsworth/Hank Lamb of the Prison Show at KPFT Studios and Staff in the Low Library namely: Alicia N. Foley & Demetrie M. Phipps; claimed that it did not qualify as sealed correspondence according to MSCP/BP-03.91 which is outrageously false!

KPFT Studios has been around since 1970 and both Hank Lamb & David Collingsworth are both Legitimate Staff of KPFT Studios who just so happen to be in contact with the Executive Directors Office of TDCJ-CID on a regular basis which has been going on for many long years!

TDCJ-CID knows very well that KPFT Studios is a Legitimate Media Outlet that supposed to be protected under the 1st & 14th Admendments of the U.S. Constitution! To Claim otherwise is ridiculous when KPFT Studios has been around over 50 years in Texas! I see this as direct retaliation against me for exercising my Petition, Access To Courts, Due Process, and Freedom of Speech Rights! It's also a 1st & 14th Admendment Violation against KPFT Studios & the forementioned individuals!

Action Requested to resolve your Complaint.

Treat all mail to & from KPFT Studios and their staff as Media Mail & Sealed Correspondence according to Federal Law... Stop harassing me!
